

FSP™

Fitwel's Healthy Building Scale Certification for 100% of Assets

We are changing the real estate landscape by **translating health to value**

Why Focus on Health?

Value of Healthy Buildings

71%
of residents value healthy building features.¹

Employee Satisfaction

75%
of employees expect employer support for health and well-being.²

Adapting Technology

90%
of companies plan to enhance sustainability & risk management investments in the next 3 years.³
