

EVORA Managed Data Services

Powered by  **METRY**

Effortless collection. Reliable data.
AI-enabled solutions. Global reach.

In today's dynamic real asset investment landscape, harnessing comprehensive and accurate data is crucial for informed decision-making. Traditional data solutions often result in unreliable or incomplete data, hindering accurate analysis and strategic planning, and fail to address the unique challenges faced by real asset professionals.

Enter **EVORA Managed Data Services, powered by METRY**, a cutting-edge data solution that redefines the way businesses access, utilise and report on data. Our advanced data acquisition and validation processes ensure the relevance, accuracy, and reliability of your data, providing a solid foundation for critical decision-making.

Through seamless integration and tailored configuration, we empower organisations to leverage data effectively, enhancing confidence in reporting and driving sustainable growth.

Why choose EVORA?

Rigorous Validation for Unwavering Data Confidence

Beyond our comprehensive collection methods, **EVORA Global** places significant emphasis on the data selection and validation processes that go into ensuring relevance, accuracy and reliability of your data. This approach guarantees data confidence, providing you with insights that you can trust for critical decision-making.

Effortless Onboarding and Scaling

Start your journey with ease – a guided onboarding process which can be initiated with as little as a single utility invoice. Our highly automated and AI-supported processes enable data maturity to improve over time and is scalable, allowing you optimum control over data acquisition, even as your portfolios evolve.

Tailored Configuration

Customise data acquisition strategies with **EVORA Managed Data Services, powered by METRY**, aligning seamlessly with your reporting and investment structures.

Reliable, Scalable and Automated

Rely on AI-leveraged comprehensive data collection and validation, providing you with the highest level of reliability and scalability for your carbon accounting and investment analytics.

Enhanced Confidence in Reporting and Disclosure

Simplify data acquisition with **EVORA Managed Data Services**, powered by **METRY** for reliable climate reporting and disclosure. Ensure accuracy, traceability, and transparency to boost confidence with investors and regulatory bodies.

Global Solutions
